GENERAL CONSENT FORM 2018

Dear Parent/Carer

In line with NSW Department of Education guidelines, the school is required to obtain parental consent to enable students to participate in a range of general school activities as discussed below.

Photographs: Through the year students' achievements are recognised in publications such as the school newsletter, school website, annual report and the local press. Students also have official school photographs taken.

Technology: All students are issued with a student email address by DoE and have access to the internet via the DoE student portal.

Please complete the general consent form below and have it returned to your child's roll call teacher during STAR. Students who have not returned this form may not be allowed to have their photograph taken or have access to email/internet facilities. If you **DO NOT** give permission for your son/daughter to participate in any of the above activities, please attach your **written objections** and return them with the form by the end of Week 5, Term 1.
