PRINCIPAL'S REPORT

Welcome back to a new year at Wingham High School. This year will again be a busy one for staff and students. Many new or recent initiatives are recommencing which aim to improve learning and social outcomes for all students.

The creation of Personal Learning Plans for each and every student will continue having started last year with all of year 7. The aim of this is to develop in students more ownership of their learning and to build aspirations for their future learning and life. Staff have volunteered to be part of Year Teams which will focus on the creation of these plans as well as other strategic programs appropriate for each year group.

With the annual enrolment census complete it is clear that the demographic trend of declining enrolments is continuing. Fewer numbers in the school has a direct impact on the number of classes and courses we can offer. As a result we have reduced the number of core classes in Year 10 (from 5 to 4) however we have been able to increase the number of core classes in year 7 (from 3 to 4). We are also fortunate to be able to use some of our RAM equity funding to maintain the breadth of curriculum particularly in stage 5 & 6 (years 9-12).

The new School Strategic Plan for 2015-17 is being formulated with input from parents, students and staff being used to articulate a whole school vision and 3 strategic directions. A focus on growing our Culture of Learning through developing teaching skills, addressing the needs of 21st Century Learners and establishing structures in the school which promote engagement of students, staff and parents has emerged.

Another focus at the start of this year has been uniform. I am pleased to say that there have been significant improvements indicating that students are buying into our core values and showing this by wearing uniform and hence availing themselves of the many extra curricula opportunities that the school provides. Shoes continue to be an issue in terms of safety as well as colour. Our uniform supported by the P&C clearly states that shoes are to be black or white. Fluoro colours are NOT part of the uniform. Canvas shoes are not safe and are unacceptable footwear in practical areas such as Science and TAS. The school is able to provide financial assistance to families to assist with purchase of uniform items. A description of Wingham High School uniform and DEC uniform policy is available on our website.

I look forward to working with everyone in 2015.

Success at Camden Haven Show over the weekend

CAREERS NEWS

It has been a busy start to 2015 in the Careers area. On the 4th and 5th February, 11 students attended the University of Wollongong Excursion to find out more information about university generally and also course specific information. We stayed at Campus East to get an idea of what university accommodation and catering is like. UOW has an Early Admission program which allows students to select 2 courses for consideration. Interviews are held in the September holidays and students find out the outcome of their application before they sit their first HSC examination. The students who attended found the excursion to be informative and also motivating to strive for success in their studies. It was a pleasure taking this lovely group of students on this excursion.

On Thursday 12th February we had the University Roadshow come to Wingham High. Representatives from Charles Sturt University, Southern Cross University and the University of New England came to give students some general and course specific information about our regional universities. Each of these representatives will return during Term 3 to speak to students again as the time nears for them to make their university choices.

I have a Careers Group on Facebook. Year 10/11/12 students and parents are invited to join this closed group as another avenue of disseminating the large volume of Careers information that comes across my desk. Also, it is useful when there is a quick turnaround time for applications etc. My group is called WHS Careers.

Our school subscribes to mhscareers, a careers service which allows students or parents to be kept up to date with Careers News and Events. The login and password for the website <u>www.mhscareers.com</u> are Wingham and wgh88 respectively. Newsletters are sent weekly. To register to receive the newsletters use the CONTACT US page on the website.

The school also has a Wingham Careers website which is <u>www.winghamcareers.com</u>. This service is provided by an outside company and has lots of useful Careers information as well as templates for resumes and letters of application. Students need to register and can then access the Students Secure Area.

There is always lots of information to be given to students. I give out relevant information at year meetings, through the student notices, my WHS Careers Facebook group and by email. Students and parents are welcome to come and see me as needed.

TAFE News.

Congratulations to Jessica Pfister of Year 12 who recently received 2 awards at a TAFE Awards evening. Jessica studies Early Childhood Education and Care at Taree TAFE. She received a TVET Achievement Award and also TVET Student of the Year. Jessica is now put forward to go to the next level in the awards process. I would like to congratulate Jessica on her achievements so far and wish her well at the next stage of the process.

SWIMMING CARNIVAL

The school swimming carnival was held on February, 9th at Wingham Pool. There was great competition with lots of participation.

The winning house was Oxley.

Approximately 30 students competed at the Zone Swimming Trials in Taree on February 17th. The next level of competition is the Regional Trials to be held on March 3rd at Maitland.

Age Champions at the Swimming Carnival were:

12 Years	Kara Allan
13 Years	Zoe Clarkson Danny Bisby
14 Years	Laura Waters/Paige Webster David Diehm
15 Years	Tallulah Greaves Taj Greaves

16 Years	Miranda Deal Connor Hughes
17+ Years	Jenna Waters Kyle Murray
18 Years	

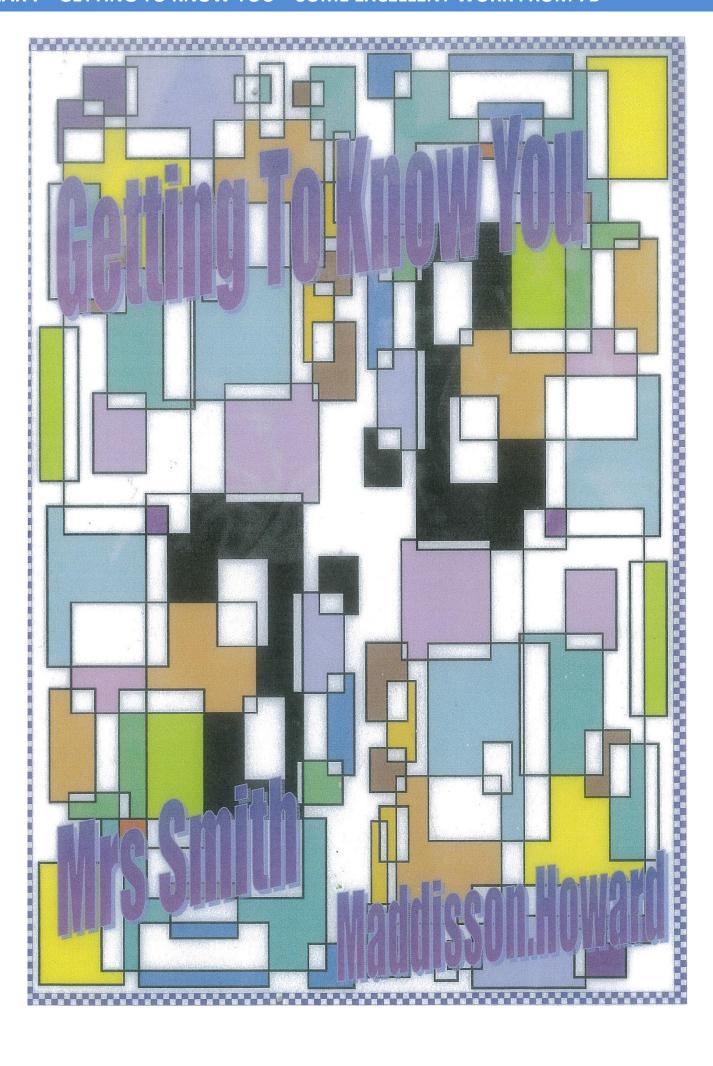

TEARDROP BANNERS

Wingham High School P&C recently purchased four coloured double-sided tear drop flags representing each of the school's sporting house teams. They were proudly on display and swinging in the gentle breeze at the school's annual swimming carnival held at Wingham Pool on Monday, 9th February.

Two other tear drop flags printed with the school's name and crest on a white background were also purchased. They look impressive and will serve the school well at special events and formal occasions.

YEAR 7 - GETTING TO KNOW YOU – SOME EXCELLENT WORK FROM 7B

One on One

I would like to introduce an interesting person I met this week, Tahlae Martin. Tahlae sees herself as an energetic and fun person who is unique or one of a kind.

Home on the farm in Wingham is a place to rest or do anything for Tahlae. But on a farm there is always something to do. Tahlae helps with the farm jobs and enjoys moving the cattle. Lucky because with the energy Tahlae has open spaces and lots of walking are really important.

Tahlae also uses this energy in the sports that she loves. Soccer and futsal are two of her favourites. She is looking forward to doing even more sport at Wingham High as well as the ag farm.

On the weekends she likes inviting friends over or going to friends houses. Her best friends Tatyana and Emily came with her to Wingham High from Wingham Brush school.

In the future Tahlae would like to have a lot of money, buy a yacht and be either a dental assistant or an interior designer.

Blake, Tahlae's 19 year old brother is who she looks up to and who has influenced her the most.

While I was talking with Tahlae I noticed she was around 150 cm tall with straight brown hair past her shoulders and hazel eyes.

I get the feeling Tahlae is going to enjoy Wingham High School and have a lot of friends.

Georgia Hudson – 7B

Meet Ethan

Ethan was born on the 25th of April 2002.

He has one brother, one dog and one cat. His favorite color red and his favorite movie is fast and furious.

He has no hobbies but his favorite sport is rugby league which he really enjoys playing.

I asked Ethan why he came to Wingham High, he said he decided to come from Mt George because it was the closest high school.

When he is older he wants to be a policeman I thinks that's awesome because he wants to do something to help the community.

Ethan was a great person to interview and he gave me some great information about himself.

Listening to him gave me some useful information about who he is and I think he would be good person to get to know.

Beware the Lawn Mower

Just when you thought it was safe to use a lawn mower, along came tall, lanky dad. It started off with dad buying a second hand ride on mower. From dad's description of this mower, it seems like it was made in the 18th century. No, it's not that dad can't use the ride on mower, it's just that we live on three quarters of an acre, which is quite steep out the back. The mower, being quite small and dad being a little heavy, disaster loomed.

The next day as mum was heading out the door to play golf, she turned, glared back at dad, and said, "Don't even think about using the mower".

When mum arrived home, dad appeared with his leg heavily bandaged from groin to knee. This happened because dad reversed the mower back, hit a pot hole was leaning back, uh oh ANOTHER ONE BITES THE DUST!!!

Donk, donk, donk, donk went the blade hitting dad's leg once, twice, three times and more, then he kicks it off.

So the moral of the story is..... the length dad goes to, to get out of doing something he doesn't enjoy.

Now it's a worry when dad does something he doesn't want to do.

THANK YOU LETTER TO P & C

Ms Karen Smart and Mrs Leanne Masters of Learning and Support with Mr George Greaves, Wingham High School P & C President.

On behalf Wingham High, we would like to thank the P and C for the purchase of iPads that will be used in Learning and Support to help meets the needs of students with disabilities and students with literacy and numeracy needs.

iPads enable us to use specially designed educational apps that target specific skills. They also provide access to the curriculum for students with more severe learning needs where they can utilise programs that change text to speech, for example.

iPads are also highly engaging for students who easily become disengaged with school and they will be used extensively for students in literacy groups, and to support students in class.

The purchase of the ipads and accessories will assist Wingham High to continue to provide quality learning programs for students with special needs

AUSTRALIAN NAVY CADETS

PHYSICAL CULTURE

BJELKE - PETERSEN SCHOOL OF PHYSICAL CULTURE LTD

BJP Physie is for all ages from 3 to 73 and you can start at any age. One of the best things about Physie is that mums and daughters can both take part.

> BJP is a national, non-profit organisation with clubs all over Australia. We have 120 years of history and knowledge behind us, creating exciting and innovative dance and exercise routines for girls

and women.

Physie is all about fun, fitness and friendship. There are optional competitions for individuals and club teams, as well as performance opportunities for all, so get involved today!

Manning Valley Physical Culture NoIa: 0419 237 715

Phone 02 9858 5122 www.physicalculture.com.au

Have you tried Physie yet?

BJP Physic is the only dance sport with variety, where girls can learn five kinds of dance and exercise in every class. It's twice the fun at half the price!

Girls will develop strength, grace, good posture, musical interpretation and confidence. And they'll never get bored!

It's time for a healthy start the Physie way – where your daughter can have fun, make friends, learn to dance and feel good about herself. And so can you! Ring us to find your nearest club or go to www.physicalculture.com.au

TELL THEM FROM ME

The Tell Them From Me student feedback survey

I am delighted that this term, our school, like many others in the state, will participate in a Department of Education and Communities initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <u>http://surveys.cese.nsw.gov.au/information-for-parents</u>

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 9 March and 2 April. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. Copies of the form and FAQs are available from the website above.

News just to hand.....

The Wingham High School Show Team competed at the Camden Haven Show with 11 steers. The Show Team had some good competition from studs, breeders and other schools such as Kempsey, Camden Haven, Chatham, Melville and Port Macquarie. The weather conditions were trying with 70mm of rain falling over the showground while parading and judging continued into the late afternoon.

The quality of the animals exhibited this year was

excellent due to Mr Cassels sourcing animals from a range of breeders across the state and a strong feeding regime for these animals specifically aimed at individual market specification and show times in 2015.

The following results were gained by our students and animals while fully clad in raincoats and gumboots.

- Champion Novice Parader B J Woolfe
- Junior Judging Finalist 3rd Jake Peckett
- Open Parading 12 Years 1st Georgia Hudson
- Junior Judging 14 Years Equal 3rd Riley and Dylan Brown
- Heavy Weight (Junior) 3rd Aaron Walker (handler)
- ➢ Judging 15 Years − 1st Charles Turner
- 1st Champion Light Steer (Kovu) Teanna Peckett
- 1st Champion Middle Weight (Jesse) Cassey Williams
- Reserve Champion Light and Middle Weight Light (Kebab) Middle (Jumpstart)
- Grand Champion (Jesse)
- Champion British Breed X (Jumpstart) Charles Turner (handler)
- Supreme Exhibit (Jesse) –Cassey Williams (handler)

Thank you to BJ Woolf's parents for transporting all the animals to the show and other parents for their support on the day.
