

PRINCIPAL'S REPORT

Success continues to grow for our many great students across a wide range of activities. Ribbons at the Royal Easter Show and Beef Week for our Ag Show Team, victory at the District Science and Engineering Challenge, as well as impressive participation in the Centenary of ANZAC commemorations at school, the Dawn Service and Town march.

Special mention should be made of the colour bearers from our Year 11 Modern History class, Denham Callanan, Jannah Gillett, Tahlia Gill and Emilly Page. While our Captains Maitlan Brown and Mathew Niksic received widespread acclaim for their commemorative addresses. The ceremony conducted at school was once again a wonderful exhibition of respect and thanks by the whole student body in attendance. Comment was made by the community and RSL representatives of the great respect shown during and after the completion of the ceremony by our students and staff. On this note I would like to thank all of the veterans and representatives for participating in our event.

This term has also seen the publication of our Annual School Report and 2015-17 Strategic Plan. Both these documents are available on the school website.

Years 7 and 9 students sat the nationwide NAPLAN tests last week and there were many positive reports from supervising teachers about the cooperation and engagement of all the students involved. Those students who managed to participate in both Beef Week and NAPLAN are to be commended for their commitment.

MAKE ONLINE PAYMENTS

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting [\\$ Make a payment](#)

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called Other this to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the [\\$ Make a payment](#) you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

AGRICULTURE - SHOW TEAM REPORTS

The Wingham High Show Team competed at the 2015 Nabc Show with a strong team of 8 steers. Our students from Year 7 to Year 11 achieved strong results in competition with commercial studs and approximately 60 students from a range of schools involved.

The following results show our strong results gained through specific selection of animals within market specifications and a strong feeding regime.

<i>Congratulations goes to the following students and awards</i>		
PRIZE	ANIMAL	HANDLER
2 nd Parader (12 - 15 years)	Jumpstart	Aaron Walker
3 rd Steer class Lightweight (12 - 15 years)	Kebab	Kasey Gregory
Grand Champion Middleweight (12 - 15 years)	Jock	Jake Brood (4 th in judging)
1 st Parader (12 - 15 years)	Jetlag	Jessica Hudson
Reserve Champion Middleweight (12 - 15years)	Jumpstart	Charles Turner
4 th Paraders (12 - 15 years)	Jessy	Georgia Hudson
2 nd Lightweight Steer (12 - 15 years)	Kovu	Cassidy Mills
Judging (15-18 years)		Teanna Peckett
2 nd Paraders (15 -18 years)	Jessy	Cassey Williams
5 th Paraders (15 -18 years)	Kovu	Teanna Peckett
Highly Commended (12 - 15 years)	Jessy	Kara Allan
6 th Middleweight Steer Class	Jellybean	Rachel Atkins
7 th Paraders (15 - 18 years)	Jetlag	Rachel Atkins
5 th Paraders (12 - 15 years)	Kebab	Emily Foster
3 rd Heavyweight	Junior	Brittany Minns
3 rd Paraders (12 - 15 years)	Jock	BJ Woolfe

The following shows for our students to compete at will be Wingham, Sydney Royal Easter and Beef Week.

Mr Hawkins

The show-team ventured to the 2015 Wingham Show on Saturday, 14th March 2015.

The cattle team entered 11 steers. The poultry team entered 2 roosters and 2 hens. The sheep team entered 4 Wiltipol ewes.

The poultry team received a Reserve Champion Soft Feather award and 2 firsts and a second. The sheep team received a champion ribbon and a second in their class.

The cattle team results were very good in respect of cattle and student awards. Competition was strong with around 90 student competitors.

CATTLE

Rachel Atkins	Grand Champion Steer First in Heavy Weight
Hayley Brood	Third 16-18 Paraders First in Senior Class Junior Judging Champion Junior Judging
Kate Stocks	Second in Senior Junior Judging Reserve Champion Junior Judging
Cassey Williams	First in Intermediate Junior Judging Cassey's steer was Third in Heavy Weight
Teanna Peckett	Third in Light Middle Weight Steer Class
Jake and Emily Brood	Achieved orals but didn't place

SHEEP

Shyanne Harvey	Third in Paraders Reserve Champion Ewe First Place Ewe
----------------	--

POULTRY

Shyanne Harvey	Reserve Champion Soft Feather (White Rooster) First Place (Black Rooster)
----------------	--

SYDNEY ROYAL EASTER SHOW

On Monday 23rd March, 15 students arrived at Wingham High's Agriculture Department at around 7am. Glenn Gallagher arrived with the cattle truck and we loaded our 5 steers. We departed for Sydney, a few in Charlie Cassel's car, a few in Gallagher's truck and the rest in the WHS mini bus.

We arrived at Sydney, the cattle truck and Charlie's car headed straight to the showground to sort out the cattle and unload them. The bus went straight to Baden Powell Scout Complex and unloaded the gear then on to the showground and we spent the rest of the afternoon feeding and watering the steers and setting up our gear. We got back to the Scout Complex around 6pm where we were staying with Kempsey High and Camden High.

On Wednesday 25th, we were up early as we had to get to the showground early for the weighing, fat scanning and re-tagging of our 5 steers. The weighing was split into 3 categories; trade, school steers and purebred. Each handler had to take their steer through the crush to be weighed to decide which class they would be judged in, have their tag changed to their registration number for competition, and have a fat scan completed over the rib and rump area to tell the judge how well covered they are.

On Thursday 26th, we were at the showground by 5:30am. Our 2 Fleckvieh steers had their classes on this day. These 2 steers were our main focus, they were washed, blow dried, hair sprayed and brushed until they gleamed. Although neither of our steers placed in their classes, it was still a great experience for the handlers to have had the chance to show at the 2015 Sydney Royal Easter Show.

After all the classes were finished, the auction commenced. The 2 Fleckvieh steers were led around the auctioneer ring by their handlers. The big Fleckvieh (as pictured below) was sold to Wingham Beef Exports for \$2.55 per kg and the smaller Fleckvieh for \$2.65 per kg.

After all the events were done we were able to go around and see the show for a few hours and then watch the opening night performance in the main arena.

On Friday 27th, the only event for the day was parading. Jessica Hudson, a year 9 student of WHS competed in the RAS parading competition. Although she didn't place, she was still a strong competitor and did WHS proud. The showteam then went around the show and checked out the different pavilions and events.

Overall, the 15 students whom attended this excursion all had many amazing experiences and formed strong friendships. This excursion for the Wingham High Show Team we scored 2 bronze medals in the carcass competition from the big Fleckvieh and steer 213.

A huge congratulations to those attending; Rachel Atkins, Cassey Williams, Hayley Brood, Kate Stocks, Teanna Peckett, Jake Brood, Aaron Walker, Reilly Brown, Dylan Brown, Jessica Hudson, Sophie French, BJ Woolfe, Charles Turner, Emily Brood and Patrick Gallagher.

Also a huge thank you goes to Glenn Gallagher for transporting our cattle, to our major sponsor, Wingham Beef Exports and also to Charlie Cassels for providing transport, supervising and organising this amazing experience for The Wingham High School Agriculture Show Team.

By Rachel Atkins - yr11

Jonty Hemmingway 2014 WHS student Awarded National Junior Australian Champion at the Royal Easter Show.

Kate, Jake and Charles about to view the carcasses at Wingham Beef Exports

YEAR 11 AGRICULTURE

Year 11 Primary Industries Shared Curriculum students completed the visit section of their Farm Case Study on Wednesday, 11th March.

The group of Wingham and Chatham High students ventured to Gary Yarnold's Dairy at Killawarra. The students were transported by the Wingham High School mini bus.

The farm tour involved discussions on the current dairy industry and management practices on the farm. All students had the opportunity to interact with the dairy calves, undertake milking and tour the pasture and silage areas.

Gary was informative as usual and entertained the students and allowed everyone to work in his dairy for a milking session.

John Hawkins

AG/PI

YEAR 8 CONTEMPORARY ISSUES - VOLCANO MAKING

YEAR 11 BIOLOGY FIELD ECOLOGY TRIP

The 24th of February 2015 saw Year 11 Biology students attend the fieldwork excursion at Harrington. The main aim of the day was to complete specific outcomes linked to surveying an ecosystem.

The Harrington lagoon and sand dunes were chosen this year to estimate populations and learn some names of plants and animals in the ecosystems.

All the students involved are to be commended on their behaviour and involvement in the excursion.

The photo's following show the groups at work.

Mr Hawkins
Biology

YEAR 10 EQUINE STUDIES

On Friday 20th March, Year 10 Equine Studies visited Tissy's Rural Produce and Double C Saddlery as part of our feeding and saddlery units.

John at Tissy's talked to students about feed quality, storage and how they make their own feeds. He also outlined the differences between steam extruded and pelleted feeds. Afterwards students walked to Double C Saddlery where they had a look at the various equipment and each had to ask a question about the use of a piece of saddlery that they didn't know.

Students had a great morning out. Great that we have access to these businesses in our own town and that they were willing to give up their time for us.

Karlyn Hawkins
Equine Studies Teacher

CHESS COMPETITION

Ryan Siegel-Hanson

Isaiah Hardy

Bryceon Xuereb

On Wednesday 25th of March the Wingham High School Chess team travelled to Chatham High School to challenge them in a local chess competition. Sixteen games were played in a round-robin; Ryan Siegel-Hanson, Isaiah Hardy, Bryceon Xuereb and Kye Gregory won every game. We smashed em!.

YEAR 7 HISTORY - MUMMY MAKING

The Manning Valley 'Boy Soldier'

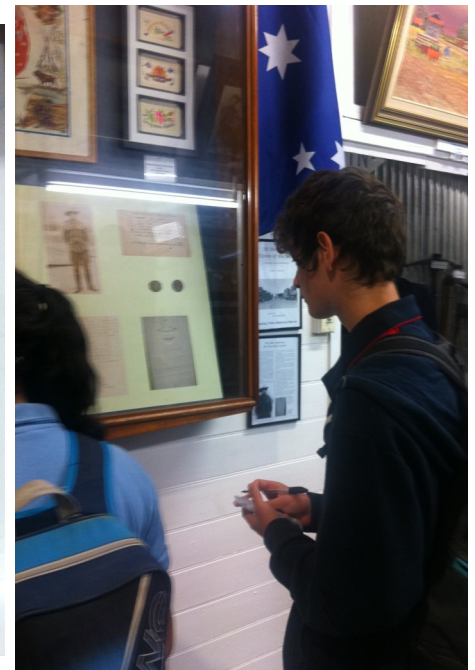

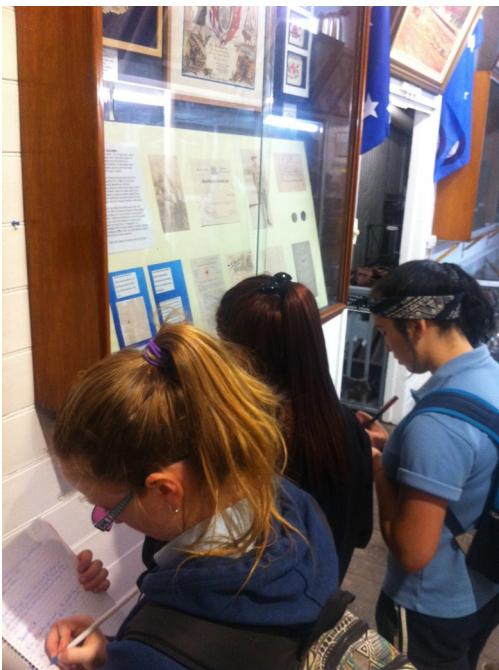

On Wednesday 22nd April Wingham High School was invited to attend the Manning Valley Historical Society's (MVHS) dedication of the Society's tribute to 'Boy Soldiers', based on a locally born boy named John 'Jack' Lancelot Andrews. Year 9 students Amira Cuthbertson, Chloe Moran-Choppin, Abbey McKay and Theo Van Zalm and Miss Tiffany White walked to the Wingham Museum on behalf of WHS. Here we were met by President of the MVHS Barbara Waters who at 10am gave the welcome and honorary speech in front of Eric Richardson OAM (local historian and Vice President of the MVHS), Stephen Bromhead (MP), Rev. Darrel McKeough, members of the Andrews family, other descendents of John Andrews and the members of the public.

After Barbara's welcome, Stephen Bromhead gave a thought-provoking commemorative speech identifying four qualities of the ANZAC legend; courage, selflessness, tenacity and mateship. He asked those in attendance to reflect on those qualities and ask ourselves if we have been brave, shown tenacity and mateship and are selfless in our everyday lives and that particularly for the centenary anniversary that all should consider truly what those qualities mean. Next Rev. Darrel McKeough gave the dedication to Jack's tribute while Kay Andrews unveiled the plaque commemorating his experiences and memory.

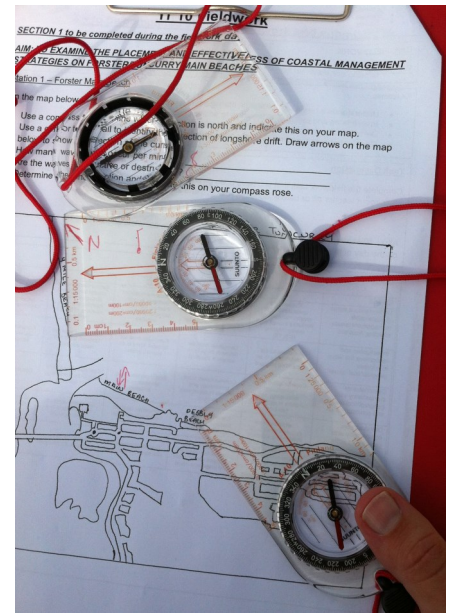

After the official opening of the tribute, everyone was invited to examine records of Jack's history, enlistment, medical reports, and some more personal artefacts such as his dog tags and personal letters and silk embroidered postcards he sent home from France. Jack was only 15 years and 8 months old when he enlisted landing first in France and then Belgium where he joined the 54th Battalion. Unfortunately, he was killed in action in 1917 when a shell hit the trench that he and 12 others perished in. He was only 16.

The Year 9 WHS students in attendance were very respectful and enjoyed learning about Jack's history, engaging with the other patrons and looking at other WWI memorabilia commenting on the size of the machine guns used, gas masks, dog tags and rations the soldiers were given.

After our investigation, we joined everyone for a morning tea where we were offered scones and jam, ANZAC biscuits and other treats while we mingled and spoke with members of the public and other attendants. In particular, we were welcomed by Barbara and Stephen and both took the time to speak with us and ask about our current study of WWI and the school's involvement in the ANZAC ceremonies being held over the following days leading up to and on the 100th ANZAC anniversary.

YEAR 10 GEOGRAPHY FIELDWORK EXCURSION

BEEF WEEK REPORT

The 28th Wingham Beef Week was held during week 4 in May 2015. A year of preparation by Mr Hawkins and Mr Cassels as part of the Beef Week committee culminated in a highly organised and educational events for our students.

The week began on Monday, 11th May with our Primary School 'Day at the Farm' where 90 local primary school students rotated through organised workshops concerning the various enterprises on the school farm with a focus on skills and cattle. The day was developed with the guidance of Hayley Brood yr11, who organised the groups/activities and team leaders. This was a highly successful day and an excellent opportunity for the year 6's introduction to high school life as part of orientation.

Wingham High hosted 19 high schools from across the state this year for the main Beef Week competition, we had on average 300 students per day competing in the parading, judging and beef appreciation activities. Approximately 350 students competed from both public and private schools from across the state for the week on a daily basis.

A very big thank you goes out to Mr Grant Coleman and the Wingham Beef Exports staff for their generosity in the use of their facilities and resources. The Beef Week competition is seen across the state as an excellent example of industry, schools and community linkages coming together for the greater learning of our students. It is unique to have such community and industry support.

Our students were successful in a range of areas of the beef competition and the results include:

- ◆ Champion Team for Retail Beef Cut Judging - Teanna Peckett, Kate Stocks, Brooke Anderson, Hayley Brood.
- ◆ Reserve Champion Beef Appraisal Team Overall - Kate Stocks, Brooke Anderson, Hayley Brood, Jake Brood.
- ◆ Kate Stocks won the Wingham High School Award for a course at Tocal Agriculture College on Beef Cattle Assessment.
- ◆ Sienna Hawkins went on to become a runner up in the Junior Meat Judging Competition in a strong field of 340 students.
- ◆ Brooke Anderson again won the Junior Judging of Cattle, competing against a large and strong competition which is outstanding from a field of 240 other students. Brooke was the guest associate judge this year because of her win last year and also won her Parader's class which is outstanding and she showed real class on the day.
- ◆ The schools Red Angus (Mr Cassel's favourite) achieved the Highest Marbling score for the competition and was picked out by abattoir staff and given the accolade as the Number One MSA Carcase.
- ◆ Our 5 steers entered on the day did not win overall, but took out Middleweight class in a large group of entries.

Our current show team plus interested Agriculture students conducted themselves as great ambassadors for Wingham High School for the whole week.

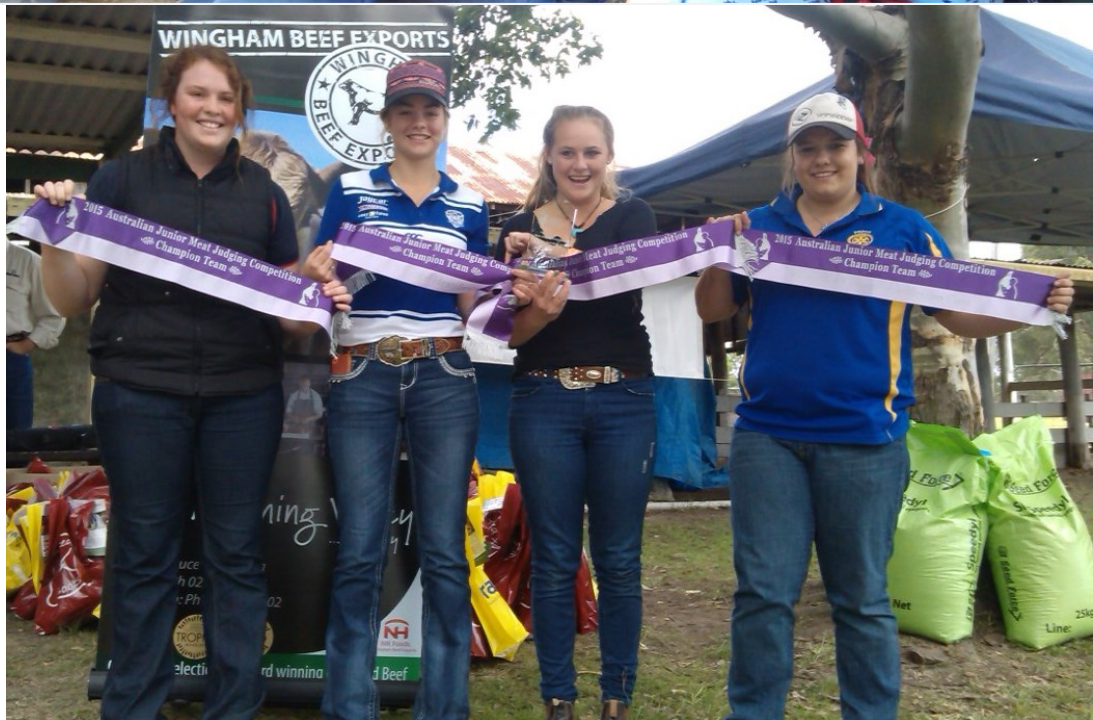

This years Beef Week was well covered in the media from TV interviews to the Focus magazine, Wingham Chronicle and ABC rural radio programs. A big thank you goes out to Mrs Maree Gilbert for all her work to get the Monday barbecues organised (600 sausages in one day) and Mr and Mrs Brood for their work all week (day and night) to make it happen for the kids.

The 2016 Beef Week program is now in the planning stage and Mr Hawkins and Mr Cassels would really appreciate some parents and community members to join our team to continue to deliver this highly educational industry based program.

Do you wish to get involved? Are you retired or interested in cattle shows? Phone the school for more information.

Mr Hawkins and Mr Cassels

The Safer Drivers Course involves two modules:

Module one: A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of twelve participants and will be delivered by a facilitator.

Module two: A two-hour in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach. **Course cost: \$140**

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3 for 1 scheme cannot be included.

Participants who complete the course will receive 20 hours credit recorded in their learner driver log book.

There will be plenty of things to see and do
to keep you busy!!!

come and ... DISCOVER ENGINEERING - Information Evening

The Mid North Coast Group of Engineers Australia would like to invite you to an information evening of '**Discover Engineering**'.

The evening aims to build the profile of engineering as a career choice amongst school students, teachers and parents as well as build the awareness of engineering within the community.

Students are invited to come along and hear some of the many ways engineers influence our everyday lives and hear how to achieve a rewarding career in engineering.

Areas to be addressed include:

- * *Why be an Engineer?*
- * *What do Engineers do?*
- * *How do you become an Engineer?*
- * *What is it like to study Engineering?*

This FREE forum is for all high school students and will be held on Monday 22nd June 2015 at The Chapel, St Columba Anglican School, 3 Iona Avenue (off Major Innes Road), Port Macquarie from 5.30pm.

Registration is essential by Thursday 19th June 2015. Please visit <https://www.engineersaustralia.org.au/events/discover-engineering-2015-port-macquarie> or phone 4911 7310.

Light refreshments will be served.
